A mobile application interface for a registration form. The app is displayed on a black smartphone with rounded corners and a home button at the bottom. The registration form is titled "Register" and is set against a light gray background. It features a red header bar with a white hamburger menu icon on the left and the title "Register" in white text. The form contains several input fields: "Name", "Email", "Delivery address", "City", "Zip", "Credit card number", "Exp. date", "CVC", and "Phone". A red "Save" button is located at the bottom right of the form.

A mobile application interface for a registration form. The app is displayed on a black smartphone with a home button at the bottom. The registration form has a red header bar with a hamburger menu icon on the left and the title "Register" in the center. The form fields are as follows:

- Name: Johnny
- Email: kochi@oregonstate.edu
- Delivery address: (empty)
- City: (empty)
- Zip: (empty)
- Credit card number: (empty)
- Exp. date: (empty)
- CVC: (empty)
- Phone: (empty)

At the bottom right of the form is a red "Save" button.

A mobile application interface for a registration form. The screen is framed by a dark grey border representing the phone. At the top, a red header bar contains a white hamburger menu icon on the left and the word "Register" in white text on the right. Below the header, the form consists of several white input fields with thin grey borders. The fields are arranged vertically: a single-line text field with "Johnny", a single-line text field with "kochi@oregonstate.edu", a single-line text field with "Oregon State University", a two-part form with "Corvallis" and "97331", a single-line text field with "Credit card number", a two-part form with "Exp. date" and "CVC", and a final row with a "Phone" field and a red "Save" button. The phone button has white text. At the bottom of the screen, there is a dark grey circular home button.
